

Portland Town (Romanoff)

This was a song that we'd done for years. I love the harmonies!

BE

We used this song as a show opener for years and it definitely was a big part of our show in the day. A lot of people think this song is an East Coast or Irish tune but the writer (Steve Romanoff of Schooner Fare) is from Maine, so I'll have to assume that's the "Portland" he refers to.
